

# THE WAY OF ST. JAMES

*(Camino de Santiago)*

The prayer of Cruz de Ferro, or the Iron Cross, is a traditional prayer that pilgrims say when they leave a stone at the foot of the cross on the French route of the Camino de Santiago

O Lord, may the stone which I bring to this holy place be a sign of pilgrimage to Santiago. When I reach my final judgment, tip the balance of my life in favor of my good deeds. I lay down this token which I carry from {starting point}. Please forgive my sins and help me carry my burdens of life. Amen
